

## **Special Covid-19 Coverage for New and Existing Individual Customers**

Here is the latest information on the Covid-19 related coverage for all our new and existing individual life policyholders. Please note that this coverage is not applicable for clients of our Group insurance scheme, Merchantrade Insure-Life, Merchantrade Insure-Medic & online products.

The coverage period is from 22 June - 30 September 2021.

### **Vaccine Side Effects Benefit:**

RM5,000 upon demise of the individual, in the event of death related to a post-vaccination complication within 30 days from the date of a Covid-19 Vaccination. Kindly note that the vaccine must be approved for use by the Malaysian government and the vaccination should be administered in Malaysia.

The current Covid-19 coverage which was introduced on 1<sup>st</sup> January 2021, will be extended till 30<sup>th</sup> September 2021. The coverage is as follows:

### **ICU Admittance Benefit:**

RM 5,000 for individuals confirmed to be Covid-19 positive upon admission to ICU requiring Mechanical Ventilation support followed by Endotracheal Intubation.

### **Death Benefit:**

RM10,000 on the demise of individuals confirmed to be Covid-19 positive.

The above benefits may be reviewed by MCIS Life at any time.
